Two for Tuesday Special

Panhandle Bungalow at Topsail Hill Preserve State Park

Topsail Hill Preserve State Park

The white sandy beach is the focal point of Topsail Hill Preserve. With 3.2 miles of secluded beach and majestic dunes more than 25 feet tall, you'll fall in love with this beach. Three rare coastal dune lakes provide excellent freshwater fishing. Visitors may bike, walk or enjoy a quick ride to the beach on our timely tram service to swim, fish, sunbathe or beachcomb. Overnight guests have access to a swimming pool and shuffleboard courts.

Camp Helen State Park

Swim, hunt for shells, hike and fish at Camp Helen State Park. The park is bordered by the Gulf of Mexico on three sides and Lake Powell – one of the largest coastal dune lakes in Florida. From 1945 until 1987 Camp Helen was a company resort for the employees of an Alabama textile mill. Some of those buildings have now been restored.

Eden Gardens State Park

Bring a picnic lunch. Stroll through the gardens under the moss-draped live oaks and tour the Wesley house with its elegant white columns and wrap-around porch. Wesley House holds the second largest known collection of Louis XVI furniture in the U.S. The house tour is available on Thursdays from 10 a.m. to 3 p.m.
